

# Rescue v Our Plan

(Is **RESCUE** an afterthought?)

5 steps to make your  
plan work

**ELEMENT**

SAFETY • TRAINING • RESCUE

Call 999

Just to dispel any myths

Simply calling 999 is NOT  
a rescue plan

(but you knew that)

**ELEMENT**

SAFETY • TRAINING • RESCUE

# Before the work starts

## PETS

1. Plan

2. Equipment

3. Training

4. Supervision

**ELEMENT**

SAFETY • TRAINING • RESCUE

# #1 Plan

Have a rescue  
Plan in writing  
and  
communicated  
to all involved

**ELEMENT**

SAFETY • TRAINING • RESCUE

# #2 Equipment

Ensure you  
have the correct  
equipment to  
carry out the  
rescue plan

**ELEMENT**

SAFETY • TRAINING • RESCUE

# #3 Training

Ensure everyone has received the correct training to carry out the plan

**ELEMENT**

SAFETY • TRAINING • RESCUE

# #4 Supervision

Have supervision in place to ensure the plan is carried out correctly

**ELEMENT**

SAFETY • TRAINING • RESCUE

# #5 Test the plan

**ELEMENT**

SAFETY • TRAINING • RESCUE

# Test the plan

Does

Understanding

- everyone understand what to do?
- everyone know the plan

**ELEMENT**

SAFETY • TRAINING • RESCUE

# Test the plan

You have the right  
equipment

- know where it is?
- know how to use it?

equipment

**ELEMENT**

SAFETY • TRAINING • RESCUE

# Test the plan

training

Everyone has  
received the right  
training to carry  
out the plan?

**ELEMENT**

SAFETY • TRAINING • RESCUE

# Test the plan

supervision

The correct level of supervision is in place?

**ELEMENT**

SAFETY • TRAINING • RESCUE
